This stunning updated home has everything..from the chef's kitchen to the stylish, chic modern bathroom to the huge covered fly over deck, this house will surely not disappoint.

Comprising 3 bedrooms (main with built in robes and a study nook), large light filled entrance hall, spacious family lounge, gorgeous kitchen with stainless steel appliances, soft close drawers, clever pantry storage, dishwasher, microwave and dining room opening to the rear deck. The bathroom is to die for with a luxurious double shower, funky timber vanity, heat lamp and toilet.

Outside you'll find the huge rear timber deck with soaring fly over roof and the large backyard cleverly sheltered by established bamboo trees. You will probably want to live on the deck this summer and entertain your friends and family
