We can only imagine the get togethers you'll have in this two-bedroom apartment, which is perfect for sharers due to its unique layout. Each bedroom has its own stunning bathroom and the bedrooms are separated by the open plan living area, offering total privacy for each bedroom occupant. The large balcony off the living area offers uninterrupted river views and floor to ceiling windows mean that you can enjoy the view in any weather.

Three minutes' walk from Gasworks Plaza - Teneriffe's favourite food and retail precinct - this apartment offers the convenience of inner city living paired with innovation and style.

Great for sharers or singles/couple who want a separate home office and visitor bathroom will love this modern two-bedroom apartment. At 102sqm, it is larger than most
