An elegant modern twist on the classic Hampton's style, the details are evident in this near new custom Hamilton home on a low maintenance block. A grand hallway entrance of beautifully stained hardwood herringbone floors draw you into the double height heart of the home filled with natural light from the vast expanse of glazed windows. A stylish state-of-art kitchen creates a central hub offering high end European appliances, ample preparation space, smart storage options and walk-through butler's pantry. The large sliding glass doors of the living and dining areas open up to reveal an expansive indoor-outdoor entertainment space that embraces our Queensland climate complete with sunken lounge, fire pit, built-in barbeque and resort style pool.
