The rear deck is a new addition, that is perfectly placed to capture the sun to thaw out on these chilly winter days. Along with polished timber floors in all rooms except kitchen and bathroom, a neat and tidy eat in kitchen and open plan living and dining areas and the spacious bedrooms that all have ceiling fans with air conditioning in the main bedroom and living area, these are just a few features that this beautiful home has to offer.

Property Features Include:

- Front entry that can act as a study
- Back Deck overlooking fully fenced yard
- Ample Storage under house with space for 2 cars
