From the moment you step inside this beautifully renovated home you'll be instantly impressed with it's modern open plan feel. With sparkling polished boards and neutral colour tones, this home represents a stylish and practical way of living.

The open plan living zone has the comfort of split system air conditioning and a ceiling fan which flows into the dining and renovated chef's kitchen. With quality cabinetry, handcrafted hardwood bench tops, stainless steel appliances, gas cooking, double sink and dishwasher this kitchen really is superb.

The 3 bedrooms all have ceiling fans whilst two of them have built in robes. The renovated bathroom with shower over bath, interior toilet and additional separate toilet is functional and stylish. Outside you'll find a large, family
